THE SENIOR EXPERIENCE

Lindsay King Seniors

I am so excited to have you check out my Senior Session Information! I would love to work with you to create the Senior Experience of your dreams. Your session should be all about who YOU are and what appeals to you. We can incorporate your hobbies, dream location, favorite colors, sports, anything you can think of, the sky is literally the limit!

In this PDF, you will find general information to help answer the basic questions regarding the process and pricing. I am here to any questions you have outside of this info guide so don't hesitate to contact me any time!

xo, Lindsay

THE PROCESS:

1. Select your date and time. Once your date has been selected, a retainer payment will be required to hold your selected date. Sessions are NOT secured without a retainer and the retainer is non-refundable but will be transferable to a new day should we get rained out and need to reschedule. Once your session date is booked and held with a retainer, you will receive a link to the **Client Portal** to give you even more information to get you prepared for your session, what you're reading here is just an overview.

2. Session Planning. I want you to have the session of your dreams, I am SO open to your ideas, thoughts, and unique qualities that you can bring to your session. We can plan your session though email or by phone about a month prior to your session.

The MOST important thing is to start thinking OUTSIDE THE BOX for your wardrobe. I want you to start thinking about how to layer your outfits with vests, hats, scarves, fun shoes, tall or cute socks, jewelry, etc. Each additional piece added to your look will make it stand out that much more! One of my most favorite places to browse online is Amazon! There are so many unique wardrobe pieces and accessories, don't underestimate the power of Amazon Prime!

3. Session Day. You'll need to find out PRIOR to your session if you need a studio style yearbook photo, if so, we will start in the studio, if not, we will start outdoors at our location unless you want to divide your time between studio and outdoors. Our outdoor location/s will be decided by us prior to your session day so that you can have the style vibe you love! Whether you're a city slicker or a country babe, we are going to make your dream session an absolute reality! The session fee is \$125 per hour and includes unlimited outfits. We always plan for about 30 minutes per outfit (including changing time) but some seniors can pose and change faster so what you can get in your session is totally up to you!

4. Ordering. Your proofs will be available for viewing 7 days after your session. At this time, all proof galleries are online but we are hopeful to move back to in-person viewing and ordering after the pandemic is over. Please keep in mind when placing your order that our studio will be closed from 12/1/21 - 1/10/22 for the annual yearly planning process.

After your order is placed, I will invite you back to the studio 4-5 weeks later to pick up your new fabulous goodies! If you are working within a payment plan, you may pick up your order two weeks after your last payment has been made to allow time for your products to arrive.

Payment Plans

-Payment Plans are available on orders over \$300.

-Images will not be available on social media until balance is paid in full.

-Payment Plans are custom made to fit your budget. Please inquire any time to set up a customized payment plan.
